Grade Point Average = 4.4.

Mr. Aleksandr Stupnikov has been enrolled in ITMO University within the period from September 1, 2020, to present day. The educational program is to be completed by August 31, 2024.

1 ECTS (credit point) equals 36 academic hours.

Total amount of points in credit upon request: 227.

Maximum total sum of ECTS performance points (necessary to pass the Bachelor's Degree), i.e. total amount of curriculum credits: 240.

According to clause 2.6 of the Regulation on the Scoring and Rating System used in carrying out current control of progress and interim certification of ITMO University students (approved on 24.03.2020), recalculation of the accumulated number of primary points for students' learning outcomes in a module (discipline) for a semester into a grade is made on the following scale:

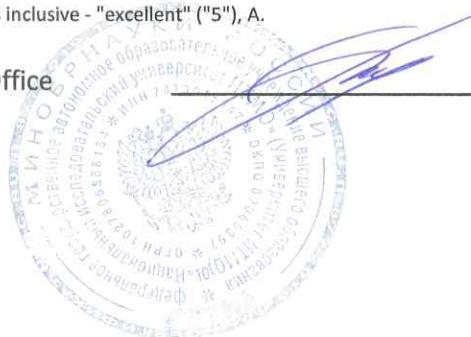

- 60 points or more - "passed" (with non-differentiated assessment);
- less than 60 points - "unsatisfactory", FX;
- from 60 to 67 points inclusive - "satisfactory" ("3"), E;
- more than 67 and up to and including 74 points - "satisfactory" ("3"), D;
- more than 74 and up to 83 points - "good" ("4"), C;
- more than 83 and up to 90 points - "good" ("4"), B;
- more than 90 and up to 100 points inclusive - "excellent" ("5"), A.
